Relevant Coursework: Econometrics, Statistical Analysis, Macroeconomics, Microeconomics, International Economics, Behavioral Economics, Real Estate Economics.

## PROFESSIONAL EXPERIENCE

**Portfolio Management Team** **August 2025 - Present**
*Analyst* *Chicago, IL, USA*
- Diagnosed risk exposure and market conditions across a $250,000+ student-managed portfolio, structuring buy/hold/sell recommendations across 8+ equities in 4 sectors.
- Built DCF and comparable company valuation models to advise on allocation decisions, applying sensitivity analysis to stress-test key assumptions under varying market scenarios.
- Presented research findings and investment recommendations to a portfolio team of stakeholders, defending assumptions and adjusting positioning based on feedback.
- Tracked and reported on portfolio performance against benchmarks, informing ongoing rebalancing and capital allocation strategy.

**Finxperts** **December 2025 - March 2026**
*Financial Analyst intern* *Mumbai, MH, India*
- Diagnosed industry and market trends through fundamental research, structuring findings into actionable recommendations for portfolio positioning discussions
- Built DCF and comparable company valuation models to assess performance and market valuation, supporting stakeholder decision-making
- Restructured and validated a 500+ entry Excel dataset, reducing reporting errors by 20% and improving reliability of downstream analysis.

**University of Illinois - Chicago** **October 2024 - Present**
*Front Desk Attendant* *Chicago, IL, USA*
- Processed daily payments, POS transactions, and cash reconciliation with 99% accuracy.
- Reconciled daily sales reports and resolved billing discrepancies.

## PROJECTS & OUTSIDE EXPERIENCE

**Chicago South Asian Film Festival (CSAFF) - *Link to project*** **August 2023 - Present**
*Marketing & Outreach* *Chicago, IL, USA*
- Executed marketing promotions and event awareness campaigns for the Chicago South Asian Film Festival, reaching 500+ attendees.
- Drove social media, email, and in-person marketing efforts, contributing to a 60% increase in event attendance.
- Collaborated with a team of 25 volunteers to design promotional content and coordinate outreach timelines ahead of the festival launch.
